

# Table - Collection 4

The children's table from Collection 4 is a practical and multifunctional piece of furniture that ensures good fun and supports the development of the youngest users.

## Material:

The material from which our products are made is high-quality polyethylene. It is characterized by exceptional resistance to mechanical damage, temperature differences and UV radiation, thanks to which the furniture is extremely durable and retains its functional properties for a long time.

ECO colour - recycled content 30%

Certificate: Plastica Seconda Vita , Health Quality Certificate

**Application:** Inside/outside

**Maintenance:** For effective furniture cleaning, it is recommended to use a pressure washer, which efficiently removes dirt without damaging the surface. For lighter stains, water with a mild detergent and a soft cloth can also be used.
